For immediate release

Avenza Releases MAPublisher 11.6 for Adobe Illustrator

Toronto, ON, March 25, 2025

Avenza Systems Inc., producer of the Avenza Maps app for mobile devices and geospatial extensions for Adobe Creative Cloud, including Geographic Imager for Adobe Photoshop, is pleased to announce the release of MAPublisher version 11.6 for Adobe Illustrator. This version introduces waffle charts to the MAP Themes chart types, adds a Point Scaling option to the Add Calculated Data tool, and offers other performance enhancements and bug fixes.

MAPublisher cartography software seamlessly integrates more than seventy GIS mapping tools into Adobe Illustrator to help users create beautiful maps from geospatial data. Import industry-standard GIS data formats and make crisp, clean maps with all attributes and georeferencing intact using the Adobe Illustrator design environment.

New features of MAPublisher 11.6 for Adobe Illustrator include:
- **Introduction of waffle charts to MAP Themes chart types:** Waffle charts can now be created in MAPublisher by opening the MAP Themes panel, creating a Chart Theme, and selecting "Waffle chart" from the Type drop-down menu.
- **Addition of a Point Scaling option to the Add Calculated Data tool:** The Add Calculated Data tool now features a Calculation type of "Point Scaling," which creates an attribute for point scaling values derived from an existing attribute in a dataset.
- **Additional performance enhancements and bug fixes**

To utilize the improvements and enhancements offered in MAPublisher 11.6, users require a valid Adobe Creative Cloud subscription and a compatible operating system. For questions and information on how compatibility requirements may affect your organization, please contact our Support Centre.

MAPublisher 11.6 is immediately available free of charge to all current MAPublisher users with active maintenance and as an upgrade for non-maintenance users starting at US$999. New licenses are available from US$1,749. MAPublisher FME Auto and MAPublisher LabelPro are also available as add-ons starting at US$599. Academic, floating, and volume licenses are also available. Prices include one year of full maintenance. Visit www.avenza.com/mapublisher for more details.
